ACKNOWLEDGEMENT AND RELEASE TO OBTAIN INFORMATION

I have answered all of the above questions to the best of my ability, I hereby certify that there are no omissions of any kind, and no misrepresentations or falsification, and that the above answers are true and accurate and are made in good faith. I understand and acknowledge that, if I am hired by CLASP Homes, Inc., any omission I have made or misrepresentation or falsification, may be grounds to discontinue further consideration of my application, or for immediate termination of my employment if already hired. I further understand and acknowledge, that if CLASP homes, Inc., offers me employment, such employment is on an at-will-basis, and that both CLASP Homes, Inc. and I shall be free to end the employment relationship at any time and for any reason, should I choose to accept the offer.

I hereby authorize and voluntarily release CLASP Homes, Inc. to conduct any necessary inquiries and collect any necessary information as to my character, reputation, and ability to perform in the position I am applying for, including but not limited to review of my educational and employment references and background and a criminal conviction history check, and I release from any liability any and all former employers or educators, or personal or other references who supply CLASP Homes, Inc. with information about my background, education or employment history.

I understand that, upon receiving a conditional offer of hire from CLASP Homes, Inc., I may be required to pass a medical examination prior to actual employment. I further understand that, upon receiving a conditional offer of hire from CLASP Homes, Inc., I will be required to pass a urinalysis drug test in compliance with applicable state statutes prior to actual employment. Any refusal to submit to required testing will be grounds for discontinuing the employment application process. Refusal to submit includes failure to provide an adequate amount of urine for testing, without a valid medical explanation, or any conduct that clearly obstructs the testing process.
